

Homeschooled Student Application Form

Applicant Information:

Courses taken during Secondary Homeschooling:

Below, please provide us your information regarding the Math, Science, French, and English courses taken during your Grade 11 and 12 secondary homeschooling terms. To see the Government of New Brunswick guide for comparison of equivalent courses, please click [here](#). For information regarding the definition of what a *modified and/or adjusted course outcome is, please see the bottom of the application form. If you are applying for any program with a profile different than Profile A, please ensure that you include the Course Name and Code and the NBHS Equivalent Course. Profile A consists of meeting High School Graduation requirements plus ensuring that Grade 12 English and Financial and Workplace Mathematics 110 or Foundations of Mathematics 110 have been successfully completed. See the following [link](#).

- Are any of the courses that are
